Appeal Case No. 47 of 2025

Momo Tantanga

– Appellant.

-Vs-

The SPIO/ Manipur Tribal Development Corporation, Ltd. & Anr.

– Respondents.

DECISION

Dated: 3.6.2025

Both parties are absent.

After perusal of the entire case, it has been observed that the SPIO/ MTDC has placed the required information before the Commission on day of hearing dated 2.5.2025. In the meantime, the Commission also directed the Public Authority to furnish the information either by sending a special messenger or through speed post to the Appellant. The Commission also informed the Appellant to collect the said information from the Office of the Manipur Information Commission during Office hour through phone call.

In another hearing dated 19.5.2025, the Commission once again directed the SPIO/ MTDC to provide the requested information to the Appellant within three days. The Commission had also informed the Appellant to collect the said information from the Office of the Commission, through phone call. The Orders/ Decision of the Commission had also been sent to the Appellant through WhatsApp.

However, the Appellant has failed to collect the said information from the Office of the Commission despite repeated intimations.

On the last day of hearing dated 3.6.2025, via WhatsApp the concerned Public Authority has furnished a receipt copy of the dispatched letter purportedly containing the information provided to the Appellant.

Despite number of hearings, the Appellant has not provided any positive response or comments about the information provided by the Public Authority and as such, the Commission feels that the conduct of the Appellant is unnecessarily wasting the time and energy of the Public Authority and the Commission.

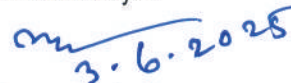

Accordingly, the present Appeal case is closed.
